

Contract With Oklahoma

I, Robin Lynn Carder, pledge to the great people of Oklahoma the following should I be fortunate enough to earn your vote:

1. Every vote I make as a member of the US House of Representatives will be made in the most thoughtful way possible to support all America First values.
2. Any vote I make that is not supported by the Republican majority will be explained as soon as possible BEFORE I make the vote.
3. Our current representation is out of touch with the average Oklahoman. This is because we have a political class who believes what East Coast and DC elitists tell them. To ensure I do not become out of touch like our current ruling class, I will establish a Citizen Advisory Committee. The CAC will be comprised of ten Oklahomans from the thirty-two counties of Oklahoma Congressional District 3.
 - a. Five committee members will be chosen from a nomination from each of the GOP County chairs. Nominees should be community leaders in the farming/ranching industry, oil and gas industry, education and healthcare. The remaining five members will be chosen from the pool of District 3 precinct committee chairs based on a process TBA later.
 - b. The CAC will meet at least quarterly in the district or Washington DC based on the preference of the CAC.
 - c. The CAC will provide feedback from their communities to better inform me on the concerns of District 3.
 - d. These ten committee members will have access to me 24/7.
4. I will hold an in-person Town Hall meeting every quarter. The location of the Town Hall will rotate between the following cities:
 - a. Stillwater
 - b. Woodward
 - c. Altus
 - d. Enid
5. I will do everything in my power to address the damage done by the current illegitimate regime and hold those responsible to account, regardless of who they are.
6. I will support President Trump with every ounce of my being in his fight to drain the swamp and restore the Republic we were bequeathed.
